EDUCATION

Rockford University – Rockford, IL

Graduated May 2025

Bachelor of Science, Concentration Web Development, Minor in Graphic Design

WORK EXPERIENCE

Boys & Girls Club of Rockford – Rockford, IL

August 2020-Present

Youth Development Professional

- Experienced in working with students ranging from 1st through 12th grade, with a primary focus on older children.
- Lead and supervise gym activities, providing guidance and support to students interested in developing their skills in various sports.
- Serve as a reliable point of contact for building and outdoor maintenance needs, frequently entrusted by management to resolve facility issues efficiently.

Project

1. **Personal Portfolio Website (HTML, CSS, JavaScript)**

- Designed and deployed a responsive personal portfolio website to highlight technical projects and professional background.
- Built a modern UI using HTML, CSS, and JavaScript, ensuring cross-device compatibility and optimized performance.
- Implemented a contact form with JavaScript validation and hosted the site on GitHub Pages for accessible, professional presentation.

2. **iOS Task Manager App – (Swift, SwiftUI, Core Data, Xcode)**

- Developed a native iOS application that allows users to create, edit, and delete tasks with real-time status updates.
- Implemented persistent storage using Core Data to retain tasks across app sessions.
- Designed modern, responsive UI with SwiftUI, ensuring seamless usability across iPhone and iPad devices.

3.
